

Capel St Mary CEVC Primary School Summer Reading Challenge for Unit 3!

Do you find yourself bored during the summer holidays?

Nothing to do?

Moaning at Mum and Dad?

Why not pick up a book and read?

Your teachers want you to keep reading all summer long. If you read on 36 days during the holidays you will be invited to attend a tea party (there will be sweet treats) in September!

You need to record your reads each day that you read. If you read more than once in a day that is brilliant but we will only count one read a day. Like your reading diary record it in the box for that date.
