3 bananas cost £0.99
4 apples cost £1.12

How much **more** does one banana cost than one apple?

Here is part of a number line

Write missing numbers in the boxes

Find the two missing digits in this multiplication

$$\begin{array}{r} 4 \square \\ \times \quad 6 \\ \hline \square 94 \end{array}$$

30×200

$12 \times 12 \times 2$

--

--

Look at this number.

3,154.6

Write the **digit** that is in the tenths place

A youth club plans to collect £200 between the start of May and end of August.

How much money does the youth club need to collect in August to reach £200?

How much money was collected in June?
